Mr.J.V.E.Tate, Chief Line Inspector - Exemption from military duty

Referring back to my D.O.No.172 dated 11th July 1917, I have the honour in submitting a copy of Mr.Tate's letter of the 17th instant, to state that Mr.Tate is now engaged in takingon hand the construction of Transmission Line to Soldevanhalli and Telephone Lines to the Gauging Stations in the basin of the Cauvery river, the estimates for which have been already sanctioned, and the materials are being received and beside he is in charge of all the Transmission Lines and we consider that it is essential and necessary for the successful and satisfactory operation of the Lines, more especially of the Kolar Lines, which supply power to the Gold Mines, that Mr.Tate is given a total exemption from military duty and to request therefore that you will be good enough to address the General Secretary on the subject.
